Would you like some expert personal safety tips to help you stay safe in a variety of situations?

Do join us for our free Staying Safe and Rogue Traders Talk. The programme will cover Staying Safe:

- At home
- When you go out
- On buses and trains
- In taxis and minicabs
- At cashpoints
- Online

What to do if there is real trouble, together with facts that help police.

For the second part of the talk we are delighted to welcome back Liz Smeed from Trading Standards. Hear all about:

- How rogue traders approach and target their victims these days
- The current trends
- The typical 'patter'
- How properties are marked to identify the vulnerability of the occupier
- How rogue traders pass their victim's details on to others.

The Church entrance is at the junction of Pond St. & Rosslyn Hill
