

ELM VILLAGE GARDEN SOCIETY

FROM EVTRA

NOTICE TO ALL ELM VILLAGE RESIDENTS
(Rossendale Way, Bergholt Mews, Blakeney Close, Barker Drive)

The south canal space (Constitution end) has now been fitted with a key to match the other communal spaces and residents are invited to make use of it for community events or private enjoyment , subject to the usual proviso about respecting the peace and privacy of neighbouring properties.

The area has been power washed and dogs are not permitted.

It has been suggested that it would be a safe gathering place for residents with small children but is open to all.

If you would like to have access to the space but do not already have a key, you can get one from: Elm Village Garden Society (EVGS) c/o 47 Rossendale Way, on payment of a small fee.

- if this is the first time you have had a key to a communal space, the fee is **£20.00 for 1 key**, of which £15.00 is refundable if/when the key is given up;
- in the event of locks and keys being changed, a subsequent key will cost you **£1.00**.
- you may have copies of your key cut at your own expense for other residents **at your address only**.

For full details of regulations re locks and keys, please see the Notice Board: *Elm Village Open Spaces & Gated areas: Key holder regulations*.

We plan to hold a small opening event for the benefit of our younger residents at 5pm on Sunday 4th November. EVTRA will provide sparklers for the children and hot dogs. Help and contributions from mums and dads will be very welcome. All residents are invited.
